SKILLS

Programming languages: Java,C,C++,python,Dart

Front End Development: Flutter

Back End Development: Firebase,Hive

State Management: Bloc,Provider

Projects:

Netflix Clone:

Built a frontend replica of Netflix using Flutter, showcasing UI development skills. ●

Coffee App:

Developed an app for group members to authenticate and record individual sugar preferences for coffee. Utilized Flutter for the interface and Firebase for authentication and real-time database integration.

iPhone Calculator:

Designed and implemented a replica of the iPhone calculator using Flutter, focusing on precision and UI design.

To-Do App:

Created a task management app using Flutter and Hive for local data storage. Features include task addition, deletion, and real-time updates.

Tic Tac Toe Game:

Built a two-player Tic Tac Toe game using Flutter, emphasizing game logic and UI responsiveness.

Certifications:

● **Machine Learning A-Z™: AI, Python & R**

- Learned to develop machine learning algorithms using Python and R.
- Covered practical applications with code templates and projects from data science experts.
- Completed a bestseller course with over 1 million students.

Education

VELLORE INSTITUTE OF TECHNOLOGY,CHENNAI,INDIA

BTech CSE(AI & ROBOTICS) 2nd year (2023-2027)

CGPA: 8.59/10

PKMMHSS EDARIKODE,MALAPPURAM,KERALA,INDIA

Higher Secondary Education

MARK: 1175/1200

Honors and Awards:

- Won first place in the Fusion Wars competition by recreating app pages using Flutter under intense time constraints.

Languages:

- English: Proficient (read, write, communicate).
- Malayalam: Fluent (read, write, communicate).
- Arabic: Proficient (read, write).
- German: Intermediate (read, write, communicate; limited confidence).
- Hindi: Intermediate (read, write, communicate; limited confidence).
